Ayan Shaikh

Pune, Maharashtra • ayansh8805@gmail.com • linkedin.com/in/ayan-shaikh-364554262

This is Ayan Shaikh, a curious individual. As an aspiring techie and computer science student I am Proficient in web development and software engineering .Alongside my studies, I serve as a peer counselor, providing support and guidance to fellow students. I am also an active member of Toastmasters International where I hone my communication and leadership skills. I'm eager to embrace new challenges and contribute to innovative projects. Let's connect and explore the exciting possibilities at the intersection of technology and human connection.

WORK EXPERIENCE

Peer Counselling Community   **Pune • 03/2024 - Present**

Peer Counselling Club is where a compassionate community thrives on mutual support and understanding. Our club is a haven for those seeking confidential guidance and empathetic listening from their peers. Led by trained counselors within our community, we offer a safe space to discuss academic, personal, or professional challenges. Through one-on-one sessions and group discussions, we foster resilience, empathy, and mental well-being. Join us as we cultivate a culture of care and connection, empowering each other to navigate life's complexities with confidence and compassion.

PROJECTS

KAVACH 08/2023 - 12/2024

IIT DELHI

"Kavach" is a cutting-edge border surveillance system designed to revolutionize security operations. Utilizing state-of-the-art optical fiber technology, Kavach creates an impenetrable shield along borders, ensuring unparalleled vigilance and protection. By deploying a network of optical fibers, Kavach detects even the slightest disturbances, providing real-time alerts to security personnel. With its advanced capabilities, Kavach offers an integrated solution for border security, enhancing situational awareness and enabling swift responses to potential threats. Experience the next level of border protection with Kavach, the ultimate defense against intrusions.
